

Parents,

Our school has access to a great resource for preparing our kids for the state standardized test, a web-based program called Study Island. You can access Study Island on any computer with Internet access. Study Island is designed to support classroom instruction and prepare students for the North Carolina End of Grade Tests.

We are excited about the potential benefits this program can bring to our students, and we encourage you to take advantage of this opportunity by using Study Island. Please feel free to contact Study Island at 800-419-3191 or support@studyisland.com if you have any questions.

Sincerely,

The Harris Creek Staff

Using Study Island from Home:

1. Go to www.studyisland.com
2. Enter student's user name and password and click "Login." (If your child does not know his/her user name or password, contact the classroom teacher.)
3. Click on the section tab (math, reading, science, or writing) that your child wants to work on.
4. For a student to pass a topic, he or she must answer a minimum of 10 questions with 70% accuracy.
